Attention Rings 15 years old: Thank you for allowing us to examine your ring; should your ring, or any part thereof (special stone, crest, emblem, etc.), be misplaced in the mail or need to be remade due to unforeseen circumstances, we reserve the right to supply you with our current ring style available for the school, since we may no longer have the old tooling available to produce an exact duplicate. Should that occur, your original ring will be scrapped while we manufacture a new ring for you. Herff Jones will not be held responsible for any genuine stone not originally supplied by our company while in our possession. The breakage of a Herff Jones genuine stone becomes the customer's responsibility after leaving the plant. Please indicate that you have read and agree to these terms and sign below.
